## Teacher's Guide

### What is it?

Academic WorldQuest™ is a flagship youth education program of the national network of World Affairs Councils. It is a team competition testing high school students' knowledge of international affairs. In the competition, four-person teams compete by answering multiple-choice questions divided into ten unique and engaging thematic categories. The National Competition is supported by San Antonians Carlos and Malu Alvarez.

First place winners of the 2018 Academic WorldQuest Competition from Keystone School with Council Board Members.

### Structure of Program:

Approximately **4000 students across the country** participate in competitions hosted by **50 local World Affairs Councils across the United States**. Winning teams are invited to represent their high school, city, and local council at the national competition, held in the spring each year in the nation's capital, Washington, D.C.

### Coaching a team is easy!

- Assemble a team of 4 students (up to 3 teams per school).
- Fill out registration form attached or visit [wacofsa.org](http://wacofsa.org).
- Attend the local competition on March 27, 2019.
- If your team wins, attend the welcome reception at the National Competition in Washington, DC.
